

**PMP Certification To Further Your Career**

The following information is from the Project Management Institute® (PMI®) Project Management Professional® (PMP®) Credential Handbook:  
[http://www.pmi.org/PDF/pdc\\_pmphandbook.pdf](http://www.pmi.org/PDF/pdc_pmphandbook.pdf)

To be eligible for the PMP credential, you must meet certain educational and professional experience requirements. All project management experience must have been accrued within the **last eight consecutive years** prior to your application submission.

Educational Background	Project Management Experience	Project Management Education
High school diploma, associate’s degree or global equivalent	Minimum five years/60 months unique non-overlapping professional project management experience during which at least 7,500 hours were spent leading and directing project tasks*	35 contact hours of formal education
<b>- OR -</b>		
Bachelor’s degree or global equivalent	Minimum three years/36 months unique non-overlapping professional project management experience during which at least 4,500 hours were spent leading and directing project tasks*	35 contact hours of formal education

\*Leading and directing project tasks as identified in the Project Management Professional Examination Specification. Within the total hours of project management experience, experience in all five process groups is required. However, on a single project, you do not need to have experience in all five process groups.

Integrated Process Developers, Inc. (IPDI) offers its onsite Ultimate PMP Prep Boot Camp course as well as its online PMP Prep course to assist people to become PMP certified.
